

### **Current Status of Hemp Program in Wyoming:**

The WDA hemp plan was accepted by the USDA on February 20, 2020. The Governor, in consultation with the Wyoming Attorney General's office, then approved emergency rules drafted by the WDA to initiate a hemp program and start accepting applications prior to the 2020 growing season. These emergency rules were in place until the final rules were promulgated and implemented on August 13, 2020. Below you will find a copy of the rules, the hemp license application, sampling and testing information, and more.
